GOOSE FLAG X-LAND'R FLAG

436435 DELUXE CANADA GOOSE FLAG

- Easy-to-use, precision-fit holes to accept wing struts
- All stitching is heavily reinforced for strength and durability
- Full-length pocket on flag body secures rod handle keeping flag tight and quiet

Large golf club-like
shaft & grip

GOOSE FLAG DOUBLE TROUBLE

436400 CANADA GOOSE with flag bag

Eliminate the "dead bird" look with this unique dual-side flat. After flagging, simply turn it over before laying it on the ground and it's completely camouflaged!

- Another original design by Ron Latschaw
- Upward-angled wings for more realistic movement and appearance
- Extra-strong, 3/8" diameter, lightweight, solid fiberglass rod handle
- Full-length pocket on flag body secures rod handle keeping flag tight and quiet
- All stitching is heavily reinforced for strength and durability
- Unique, paddled handle grip keeps flag stable and won't rotate in your hand during heavy wind
- Specially-designed molded end piece keeps wings in natural upward-angled position
- Highly-durable, light, non-woven polyester material

MUTT HUTT™ II

433795 REALTREE® MAX-5

433745 MOSSY OAK® BLADES™

We've done it again! Now you can have plenty of room for your favorite canine hunting buddy, while not flaring birds from a high profile dog blind in your spread.

- Stealth profile
- Folds flat and compact (31"W x 21"L x 2.5"H)
- Allows 360° marking without partial exit from the blind
- Allows dogs to hunt in their natural upright position with sloped rearward front opening
- Design reduces dogs "creep" common in other designs with vertical opening
- Can be stored in your layout blind
- Little setup time
- 4 ground stakes included
- 31"W x 39"L x 20"H
- Weighs only 5 lbs.

Realtree®
Max-5

Mossy Oak®
Blades™

STUBBLE ROPE

- 466210 CORN/PRAIRIE
- 466220 EDGE BROWN
- 466240 EARLY SEASON (GREEN)

Stubble Skinz material sewn into a strip, plus some Whoop Grass®.

- 5 strips per box - Enough to cover a blind
- Can be left on the blind
- Still room to supplement with natural stubble from the field you are hunting in

WHOOPOGRASS®

- 467100 MARSH TAN
- 467110 FIELD GREEN
- 467120 EDGE BROWN

Cut your blind grassing time to an absolute minimum with Final Approach® Whoopgrass®. This cutting-edge product will attach to any Final Approach® blind Stubble Strap for optimum time-saving camouflage.

- Made from dyed natural fibers for a very realistic effect
- Super durable and reusable with a high tensile strength
- Collapse & transport any Final Approach blinds with Whoopgrass still attached
- Rot & mildew resistant
- Kit includes enough material to make 32 hanks for Final Approach® blind coverage
- Available in Marsh Tan for use in wheat and corn stubble; Field Green for winter wheat, rye, pasture grass; and our new Edge Brown for blending perfectly in fields of peas, lentils, soy beans, and dead grass

- Built tough
- Original Stubble Straps™ for the ultimate in concealment

UP-N-AT-EM BLIND SEAT

466205 FIELD BROWN

The perfect accessory for any full size layout blind. Never miss a shot while struggling into an upright shooting position.

Lightweight and easy to carry

Extra wide padded seat

Spring assist for sitting up in a blind

BLIND HOT SEAT

466200 FIELD BROWN

Upon compression, its styrene bead padding naturally generates heat, creating the ultimate layer of comfort between you and the ground. A must-have for any cold-weather ground-dweller.

- Lightweight and rugged
- Tough polyester exterior
- Fits all FA blinds and most competitors' blinds

WATER MOCCASIN™

434195 REALTREE® MAX-5

The perfect fit when hunting in standing water or wet conditions, the Water Moccasin™ simply slips over the bottom of all Eliminator® Blinds for instant waterproof protection. Will not fit Pro-Guide XL.™

- Another original design by Ron Latschaw
- A perimeter of 100% waterproof welded PVC camouflage material provides coverage around lower 10" of blind
- Extra heavy-duty 100% waterproof Dry-Cell™ material on bottom
- Eliminator® blind can be collapsed, transported or stored while still wearing the Water Moccasin™
